## BELMONT REPUBLICANS.

Four Townships Control a Majority of all the Votes.

The Belmont county Republican convention, which meets at Belmont on June 5, will be composed of 113 delegates, and fifty-seven will be necessary to nominate. Pease township, which includes Martin's Ferry and Bridgeport, will have twenty-two delegates; Bellairs and Pultney township, eighteen; Barnesville and Warren township, nine; and St. Clairsville and Richland township, eight.

Thus, these four townships have enough votes to make a nomination, while there are sixteen townships in the county. Already some people, who have nightmares at the approach of a political convention, are dreaming of a combine of the four townships, including the townships of Pease, Bellairs, Barnesville and Warren, which would be a happy union of the disgruntled Republicans and disappointed Democrats who are now together astride the silver horse. The farmers of Belmont county are wide awake gentlemen, who always send to conventions representatives who are fully able to cope with those who go from the towns. It has frequently occurred that they have engineered deals in consummating nominations that left the big townships with only the delusion of what force there is in having a big vote.

The river towns have been showing up well for the Republican cause, but they do not even hope to bag all of the offices. They want their share and are always willing to be fair with the rural townships, because good returns from the country at elections mean a decisive victory. And when the farmers are not treated fairly, they are sometimes "too busy to vote."

## Lecture on Cooking.

On next Tuesday afternoon a benefit entertainment will be given in Odd Fellows' hall, corner Twelfth and Chapline streets, by Mrs. Rainbow, professional English cook, the proceeds to be devoted to the Rescue Mission. The lesson to be given next Tuesday will commence promptly at 2 o'clock. On this occasion Mrs. Rainbow will teach several new dishes and by request will touch the boning of a chicken, which is a very interesting process, as the whole carcass is removed intact, without a joint being dislocated. After the lesson the viands prepared will be put up in small parcels and sold for a reasonable sum.

It is earnestly hoped that all housekeepers will attend the cooking lecture, thereby obtaining valuable information, and at the same time contributing towards a very worthy object.

IT should be made a matter of public knowledge that DeWitt's Witch Hazel Salve will speedily cure piles of the longest standing. It is the household favorite for burns, scalds, cuts, bruises and sores of all kinds. Charles R. Goetze, corner Market and Twelfth streets; Bowie & Co., Bridgeport; Peabody & Son, Benwood.

## JURY DISAGREED.

Again Jimmy Juenk Escapes From the Law's Clutches.

## JURY WAS OUT SEVERAL HOURS

And Finally Reported its Inability to Agree on a Verdict, Whereupon Judge Hugus Dismissed it and Remanded Juenk to Jail—A New Trial Probable. Not Believed He will be Convicted—He May Get Out on Bail.

The trial of James Juenk, charged with attempting burglary at the saloon and residence of Frank Ayres, corner of Chapline and Thirty-first streets, South side, came to an end yesterday afternoon at 4:30 o'clock, in the criminal court, Judge Hugus on the bench, resulting in a jury unable to agree.

On Tuesday evening the arguments by counsel, Mr. Sommerville for the state, and Colonel Arnett for the defense, had been made. Yesterday morning when court convened, Judge Hugus charged the jury which retired to its room. An hour after hour passed and no verdict was reached, the belief became general that Juenk would not be found guilty, and this was verified when, at 4:30 o'clock in the afternoon the jury filed and its inability to arrive at a verdict was communicated to the court.

Judge Hugus discharged the jury and Juenk was remanded to jail to await a new trial, the date of which has not yet been set. Counsel for the defense will probably ask for the release of the prisoner on a bail bond.

The result of the trial is not a great surprise, as the evidence was not strong against the prisoner.

## The Marple Case Ends.

The damage case of J. C. Marple, of Elm Grove, against D. M. Thornburg, a justice of the same place, came to an end in the circuit court, yesterday, Judge Hervey on the bench. The matter came up on the demurrer of the defendant to the declaration by the plaintiff. The demurrer was sustained and the action dismissed with costs assessed to the plaintiff.

## PLEASANT VALLEY CITIZENS

Will Make a Gala Event of the Reception of the Fire Apparatus.

This afternoon the citizens of Pleasant Valley, the pretty suburb east of the city, will make a gala event of the reception of the recently purchased fire apparatus. Notices, as follows, have been posted in the village, signed by Mayor J. R. Acker and Fire Marshal R. H. D. Willis:

"The citizens of Pleasant Valley and vicinity are hereby requested to take part in the formal reception of the fire apparatus recently purchased. All main citizens will assemble at Leatherswood at 8:30 p. m., on Thursday, May 20, 1897, where the reel will be met. We will then march to Pleasant Valley, where the ceremonies will be held and a test of the machine made."

## In Clerk Robertson's Office.

Yesterday in Clerk Robertson's office, powers of attorney were recorded as follows: From the Cambridge Chair Company, of Cambridge, Ohio, to John A. Howard; Barber Manufacturing Company, of Ashabula, Ohio, to W. J. W. Cowden; from A. H. Helsey & Company, of Newark, Ohio, to W. J. W. Cowden.

A marriage license was issued to Louis Snider, aged 22 years, of West Wheeling, Ohio, and Sophia Louisa Sterling, of Martin's Ferry, Ohio.

The following transfer of real estate was recorded:

Deed, made May 11, 1897, by the Wheeling Title and Trust Company, to the West Virginia Loan Company; transferring lot 5 in square 30, of Buena Vista addition to the city of Wheeling.

## Arrested at Benwood.

Harry Bowers, wanted for working the "short change" racket, was arrested in Benwood yesterday afternoon, by Marshal Porterfield, from a description furnished by the Wheeling police. Lieutenant Ingram brought Bowers up from Benwood last night, and Squire Rogers committed the prisoner to jail until his hearing this morning.

Last Saturday Bowers worked the Fifth ward, and flim-flammed a Mrs. Marker out of \$5. He got out of the city before the police were notified, and his suspicion that he was in Benwood proved correct. It will be remembered that Bowers hasn't been out of the "pen" long for passing the queer.

## Mr. Yahn's Success.

The Cincinnati Commercial Tribune has the following of a former Wheeling boy:

Edmund A. Yahn, barytone, gave a beautiful rendition of Goethe's "None But a Lonely Heart." Tchaikovsky's most famous song composition; also "A Heavy Tear," by the same composer. His rich voice, with a divinely pathetic quality, was wonderfully adapted and true to the sentiment of the Russian songs. Mr. Yahn very recently distinguished himself as a soloist in the Orpheus concert. He has a barytone voice of rare quality, and a great future is predicted for him.

THERE is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.
